Film Production Guidelines

Failure to comply with these conditions will be in violation of your film permit and may result in revocation of permit.

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

STONER PARK

- **Park closes at sunset. Must leave the park when Rangers or Lifeguards close up for the evening or risk being locked in.**
- **Must park all vehicles legally in the parking lot. May not park along dirt shoulder of the road.**
- **OK to still photographs at Stoner Park near the bleacher area on 06/30/2011.**
- **Must adhere to restrictions given to company by Recreation Staff. Recreation Staff's instructions or judgment may override written guidelines.**
- **Does NOT have exclusive use of the park.**
- **NOT allowed to close off any access areas to the park.**
- **OK to do two-minute pedestrian control while taking photographs of models at the park.**
- **MUST stay clear of all sports activity in the park.**
- **MUST allow park patrons to pass through access areas when models are NOT being photographed.**
- **NOT allowed to take photographs on baseball field, soccer fields and basketball courts.**
- **NOT allowed to go inside recreation center.**
- **MUST be a cast and crew size of 14 and under. If company is found exceeding that amount, they will have a Park Film Monitor on site.**
- **NOT allowed to have generator on site. If generator is found on site, a monitor will be required on set/park.**
- **Must maintain access to the dumpsters.**
- **Must not close off the parking lot, must allow cars to be able to drive thru at all times.**
- **NO vehicles allowed of any kind on the grass/lawn at any time.**
- **MUST hand cart/carry all equipment to Stoner Park.**
- **Must work around park patron and park activities.**
- **May not block any access roads, driveways or dumpsters.**
- **Pedestrians have the right of way at all times.**
- **No heavy equipment allowed on the grass area.**
- **Cannot alter the landscape area of the park.**
- **Does not have exclusive rights to the parking lot.**

NOT A PERMIT

- **Must share parking with park patrons.**
- **MUST leave area clean or better once all principle photography has concluded at Stoner Park.**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
